

ARAVETI VENKATA HAREESH KUMAR

ahareesh76@gmail.com | +91-8688046172 | GITAM University, Bengaluru

CAREER OBJECTIVE

Motivated Computer Science undergraduate at GITAM University with hands-on experience in full-stack web development, machine learning, and computer vision. Eager to apply my problem-solving skills and technical knowledge to real-world challenges and grow within a dynamic engineering team.

EDUCATION

B.Tech – Computer Science & Engineering 2023 – 2027

GITAM (Deemed to be University), Bengaluru

CGPA: 8.01 / 10 | No Active Backlogs

XII – Intermediate (BIEAP) 2021 – 2023

Narayana Group of Institutions

86.00%

X – SSC 2019 – 2021

Narayana English Medium School

97.00%

PROJECTS

VisionScan OCR 2025-2026

Flask · Tesseract · Python · OpenCV · Excel Export

- Built an OCR web app that accurately extracts and reconstructs tabular data from images and PDFs, solving the broken-table problem in document digitization.
- Added smart cropping, multi-engine benchmarking, and automatic Excel export to streamline data workflows.

Plant Disease Detection 2025–26

Python · TensorFlow · CNN · OpenCV

- Trained a CNN model to classify plant diseases from leaf images; deployed a web interface for real-time farmer diagnosis and treatment guidance.

Eye-Blink Detection Sensor 2024-2025

Python · OpenCV · dlib · EAR Algorithm

- Developed a real-time drowsiness detection system using Eye Aspect Ratio (EAR) on live video — applicable to driver-safety monitoring.

Student Performance Analyzer 2025-2026

Python · Pandas · Matplotlib · Scikit-learn

- Built a dashboard to track student trends and predict scores using regression; generated personalized improvement recommendations.

INTERSHIP

Web Development Intern – Avishkar 2024

- Developed responsive web applications using HTML, CSS, JavaScript, and back-end technologies.
- Collaborated with the team on UI/UX design, testing, and deployment across the full development lifecycle.

CERTIFICATIONS & ACHIEVEMENTS

TCS CodeVita – Season 13 2024

Global Rank: 6575 | World's largest coding contest

- Secured rank 6575 globally among 100,000+ participants; demonstrated strong DSA and algorithmic problem-solving.

Smart India Hackathon 2025 Sep 2025

Team: Innovative Thinkers | GITAM University, Bengaluru

- Presented an innovative solution as part of a cross-functional student team in the internal SIH round.

ROS 2 Robotics Workshop Mar 2026

FusionNav (TiHAN – IIT Hyderabad) | GITAM University

- Gained hands-on experience in ROS 2 nodes, topics, publishers/subscribers, and autonomous robotics simulations.

ACADEMIC HIGHLIGHTS

Technical Seminars & Workshops 2023–26

- Attended seminars on AI, Machine Learning, and Full Stack Web Development.
- Completed ROS 2 workshop by FusionNav (TiHAN – IIT Hyderabad); built robotics nodes and simulations.

TECHNICAL SKILLS

Languages

Python	C++
Java	C

Frameworks & Tools

Flask	Tesseract
ROS 2	OpenCV
Git	VS Code

Concepts

Data Structures	ML / AI
OS	

SOFT SKILLS

Problem Solving	Teamwork
Communication	Adaptability

POSITION OF RESPONSIBILITY

Internal Welfare Manager

Women's Leader Forum Club

GITAM University, Bengaluru | 2024–25

Coordinated events, supported member welfare, and maintained open communication to foster a positive, inclusive club environment.
